

# NEBOSH

## National Certificate in Construction Health and Safety

This recently launched **NEBOSH Construction Certificate in Health and Safety** is aimed at responsible people who make day to day decisions in the construction industry. It has quickly become a popular course with delegates and is now established as a leading health and safety award for the construction industry. This certificate will provide delegates with an excellent foundation in safety management issues to ensure the health and safety implications of their decisions are properly taken into account.

### Duration

9 days (including exam).

### Who should attend

Persons who have an involvement in construction work & need to provide advice on health, safety & welfare in construction work.

This course is for delegates who have successfully completed the NEBOSH National General Certificate in the last 5 years or who also intend to take Unit 1 of the NEBOSH National General Certificate (NGC1).

### Content

- **Construction law and management**
- **Construction site:** hazards and control
- **Movement of people and vehicles:** hazards and control
- **Manual and mechanical handling:** hazards and control
- **Work equipment:** hazards and control
- **Electrical:** hazards and control
- **Fire:** hazards and control
- **Chemical and biological health:** hazards and control
- **Physical and psychological health:** hazards and control
- **Working at height:** hazards and control
- **Excavation work and confined spaces:** hazards and control
- **Demolition:** hazards and control.

### Aims and Objectives

On successful completion of the course delegates will have a sound understanding of the principles of health and safety and have the tools to build an effective safety culture within the construction industry.

### Assessment Method

Written examination and a practical assessment with a written report.

### Certification

This is assessed and moderated by NEBOSH. Certificates are issued to successful candidates.

*See current Course Schedule for details of dates and prices.*
